

POST-OPERATIVE HOME PHYSICAL THERAPY - A CONCIERGE APPROACH

The Optimal Post-Op Experience

Regain your strength where you feel most comfortable; At Home. Equilibrium's expert physical therapists bring our compassionate and effective approach to post-op rehab to you, so you can focus on recovery.

Our Concierge Approach

- Discussion with your surgeon and discharge planner
- Phone meeting with your post-op physical therapist before your hospital discharge to discuss your needs
- Meet at home the day of discharge to facilitate transition and review post-operative protocol
- 24/7 e-mail access for correspondence with your PT
